Carbide-Clawed Bruin of Ruin

Technical Specifications:

Function: Field Sergeant

Configuration: BMOG-01

Motto: "The enemy can't hide behind a door you've kicked down."

Hobbies: Limpet-mine fishing, sunbathing, karaoke.

Manufacturer's Warranty: Voided for unlicensed sentence.

This battling bruin has an unshakable belief in right and wrong. When he sees injustice, he leaps into battle full-force.

Unfortunately, he tends to act on first impulse, preferring gut instinct over rational action. He means well, but his penchant for the "blast first ask questions maybe" style of warfare can cause just as much damage to whatever the good guys are trying to protect!

He is often found taking recharge-naps in the sun to replenish his reserves.
